

Thank you for your interest in visiting Pepperwood!

The mission of Pepperwood is to conserve the preserve's life and landscapes and to advance science-based stewardship of ecosystems throughout our region and beyond.

Rentals & usage of the Dwight Center, Bechtel House and day use of the preserve are allowed by groups that fall under the objectives of the Pepperwood mission. The information you provide below will help us understand if your activities fit under these objectives and if we can accommodate your need. Thank you!
